Census 2020 Activity Book

Everybody Counts!

Everybody Counts!

I count! You count!

Your family counts, too!

I count! You count!

Your neighbors count, too!

The Census counts people.

Make sure it counts you!

What makes me... ME!

Think about what makes you special. Write it in the shapes!

[My Name]

All about

I am  years old

I am interested in

I am already good at

MY PORTRAIT

I want to learn how to

Favorite activities

What I like about me is

Favorite place

When I'm older,
I want to be

YOU
ALWAYS
KNOW
HOW
TO MAKE

Me Smile!

YOU ARE

RESPECTED

LOVED

CHERISHED

APPRECIATED

You try
YOUR
BEST!

You reach for
THE
Stars!

You are an
IMPORTANT
part of this

World!

You spread
KINDNESS
everywhere!

You
are
BRAVE.

You are
such a
GREAT
FRIEND!

Tell your friends what makes them special and how you feel about them! Cut along the dotted lines and hand out a card to each friend.

You Count. Your Community Counts.

Every person is special in their own ways and important to their community. **What is a community?** It is a group of people living or working together in the same area. People in communities might go to the same school, shop in the same stores and do the same things. They also help each other and solve problems together. If it's a bigger community, the people might not go to the same places, but they might like or believe in the same things.

In a way, bees and ants are a community. They live and work together, and solve problems by working together. Many animals live in their own kind of communities.

What kind of communities do you live in?

Let's start with your family. They are a type of a community because they

usually live together and do a lot of the same things. What do you do to help your family at home?

Then there are your friends. They are a community too. They share your ideas and probably go to the same school. Name two friends that go to your school:

Your neighborhood is a community...your town or city is a community in your state. What is the name of the city and state you live in?

Your state is a community that is part of the United States. So what is the biggest community of all? _____

Yes, and we are all part of it! Together, we can help each other and work together to solve problems. How can you help your community?

The Community Tree

Instructions: Color in one apple each time you help out in one of your communities—whether it's for your family, your friends, your school or neighborhood. Write what you did in the numbered lines. Some examples are below. When you've completed all the apples, color the rest of the tree.

- I cleaned my room.
- I was friendly to a new student in my school.
- I picked up litter on my street.
- I helped clean up the park.

I
COUNT!

MARIN CENSUS 2020 ✨ 2020 ✨
2020 census

In the United States, a census is taken every ten years, where every person living in the country—citizens and noncitizens, young and old, workers and non workers—is counted. The government uses census counts to decide how to spend money for schools, playgrounds, roads, hospitals, housing and other things. For each person NOT counted in Marin County, our community loses out. Be sure you are counted because **YOU COUNT!**

Now color in the words "I COUNT!"

color me!

Find The Census Form!

The Census starts on April 1, 2020. Nearly every household will receive an invitation in the mail to participate. Every household can choose to complete the census form online, by mail or by phone. And it's easy!

What's important is that everyone in your home is counted, even young children and babies. Circle all the family members who should be counted in the 2020 Census. Then help the family find the census form.

Start here

You and your family.

1. What is your name?

First Name MI

Last Name(s)

2. What is your age and your birthday?

Age Years Month Day Year

3. What is your gender? [check a box]

Boy Girl

4. Count the number of boys & girls in your classroom.

Boys Girls

5. Count the total number of people in your classroom.

6. What subject do you like best in school? (check one)

reading math spelling art
 social studies

5. Count how many friends you have.

6. Who are your best friends? (write their names)

Name 1

Name 2

Name 3

7. How many people are in your family? (Count only those who live with you.)

8. What are their names? (write their first names)

Name 1

Name 2

Name 3

Name 4

Name 5

Name 6

9. What sports do you like most?

10. What is your favorite food?

11. What TV show do you like to watch most?

12. If you had \$100, what would you do with it?

ACTIVITY 1

Compare the Images: This family is getting ready to fill out its 2020 Census questionnaire! Compare the two illustrations side by side. Can you spot the six differences in the second image? Circle what's different in the second illustration.

ACTIVITY 2

Color Me!

☆ 2020 ☆
census

ACTIVITY 4

Write one paragraph explaining why it's important to participate in the 2020 Census.

A large rectangular box with a blue border, containing ten horizontal lines for writing a paragraph.

ACTIVITY 3

Gratitude Mirror

Draw a picture of you!
